

# Model 515

*Compact*

Data Systems® Model 515 Flatbed Imprinter is expressly designed for imprinting credit card sales drafts. The 515's compact size minimizes its' space requirements, and makes the system easy to store when it's not in use.

*Durable*

The Data Systems® Model 515 will deliver many years of reliable use. While the majority of establishments utilize the 515 in a backup role to electronic data capture devices, its' durable construction makes it just as comfortable serving as the primary data capture device day in and day out.

*Service*

Data Systems® is completely committed to providing the highest level of service possible to our clients. We appreciate the diverse demands that are placed on your operation, and in turn we strive to satisfy your needs through our wide product selection and quality, and our absolute commitment to your success.
